

One simultaneous burst of applause arises from the thousands who have used the *Wistar's* or *Hebrew Plaster*, which shows that when a remedy possesses highly intrinsic merits like this, it does not fail of receiving the patronage of our intelligent public.

#### DR. WISTAR'S BALSAM OF WILD CHERRY.

In endeavoring to impress upon the minds of our citizens the superior efficacy of this invaluable remedy for consumption and Pulmonary Diseases in general, we wish to assure our readers that we are actuated solely by a desire to benefit the afflicted. Our faith in the remedy is founded upon the universal success attending its use, and we fully believe that the most faithful and incredulous, after witnessing its surprising virtues, will no longer doubt that "Consumption may and can be cured."

Such indeed is the fact, and so astonishing have been the cures effected by this Balsam, that it may in justice be considered the greatest triumph in the "healing art" that has yet been achieved. And we are satisfied, from our experience, that there are thousands now lingering upon the brink of the grave under a disease of lungs, in some form, who may be rescued from an early death, and restored to perfect health by the timely use of this medicine.

#### One Hundred Dollars Reward.

Stop the Runaways. MY man BEVERLY and his wife, RACHEL, left home on last Monday night, without any known cause, not having had an angry word spoken to either of them; hence I presume their object is to make for a free State, possibly aided by some abolitionist. The fellow is about 30 years old, five feet, five or six inches high, well set and will weigh from 160 to 180 lbs; not very black, has some defect on one front tooth, the others rather broad, mild countenance, pleasant spoken and has a scar on one of his hands and wrist from an old scald, (the right I think) and is a little hard of hearing; his clothes not particularly known, as he perhaps has more than one suit; I think, however, his coat is either full red or blue cloth, perhaps he may have both with him.

The woman is about 40 years old, dark colored, thin visage, large eyes, slender form, about the average height, intelligent and managing; her clothing I have a very imperfect knowledge of, as she has a good supply, most of which are at home; she may have a cloak with her.

I will give the above reward for the apprehension and delivery to me of said slaves, if taken out of the State, or in the State, and out of Howard, or adjoining counties; and \$50 if taken in Howard or adjoining counties, or a liberal reward to have them secured so I can get them again.

#### JEW DAVID'S OR HEBREW PLASTER, The Great Remedy for

Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs, and Joints; Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints, AND ALL PAINS WHATSOEVER.

The discovery of this great remedy, which has done so much for the relief of suffering humanity, in both hemispheres, was the result of many years of patient investigation, travel and research, by an eminent Jew Doctor, from whence its name originates. It is composed principally of vegetable oils, combined with resinous gums, which have long been known to possess remarkable virtues for the relief of pain and weakness. It is a simple, yet powerful remedy, and the universal success it has met with in the cure of the diseases above enumerated, has fully established the fact, that, WHERE THE PLASTER IS APPLIED, PAIN CANNOT EXIST.

The peculiarities of this Chemical Compound are owing to its extraordinary effect upon the animal fibres, or nerves, ligaments and muscles; its virtues being carried by them to the immediate seat of disease, or of pain and weakness.

RHEUMATISM AND GOUT Have long been considered among the most excruciating of diseases with which mankind are afflicted, and thousands are now lingering out lives of suffering and misery, when, by the use of this Plaster they could be easily cured.

IN CONSUMPTION AND LIVER COMPLAINT—Diseases which have long baffled the skill of physicians—it has also proved very beneficial, and if used in connection with "Wistar's Balsam of Wild Cherry," (which we always recommend,) the relief it affords is immediate, and disease is most certainly banished from the system. Few very few cases can withstand the combined influence of these two powerful remedies. Those subject to

PAINTING, OR THROBBING OF THE HEART, Will find immediate relief from using this Plaster, which exerts a powerful influence over nervous diseases generally, and its success in that class of diseases has truly surprised all those who have submitted to a trial.

Many cases of that alarming form of disease, called SCROFULA, or KING'S EVIL, have been cured by its use. It does not act as a repellent; but imperceptibly draws out the poisonous humors, and renews a healthy action in the diseased parts.

It has likewise been very beneficial in cases of WEAKNESS, Such as Weakness and Pain in the Stomach, Weak Limbs, Lameness; Affections of the Spine; Female Weakness, &c. No female, subject to Pain or Weakness in the back or side, should be without it. Married ladies, in delicate situations, find great relief from wearing this Plaster.

The application of this Plaster between the shoulders, has been found a certain remedy for that distressing complaint, called ASTHMA. It destroys inflammation by producing a copious perspiration.

It is equally effectual in softening and healing knots, wens, WHITE SWELLINGS, Hard Tumors, Stiff Joints, Ague Cakes, Ague in the Breast, &c. In view of the great benefits resulting from the use of this Plaster, we have been induced to place it within the reach of every afflicted son and daughter of Adam; that all, whether rich or poor, may obtain the treasure of health which results from its use. Those who wish to satisfy themselves of its efficacy, can obtain sufficient to spread six or eight Plasters for fifty cents; a sum not half sufficient to pay for the insertion of a single certificate into any of our most common prints, a single time.

For proof of the virtue of this remedy, we refer, with pleasure, to the testimonials and certificates of the grateful thousands who have been rescued from beds of pain and sickness, and who now walk erect, rejoicing in the mercy of that divine Providence who has bounteously provided a cure for every wound—A REMEDY FOR ALL WHO SEEK ONE.

All orders addressed to PHELPS & BLAKELY, corner of Chestnut and Third Streets, St. Louis, Mo., will receive prompt attention.

Also, for sale by the following agents:—Dr. Wm. R. Snelson, Fayette; R. P. Hanenkamp, Glasgow.

#### Consumption of the Lungs,

Affections of the Liver, Asthma, Bronchitis, Pain or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of Lungs, and all Affections of the Organs.

#### NATURE'S OWN PRESCRIPTION.

A compound balsamic preparation of the Prunus Virginiana or Wild Cherry bark, combined with the extract of pine, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered. We do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hope to suffering humanity, which facts will not warrant.

We ask the attention of the candid to a few considerations. Nature, in every part of her works, has left indelible marks of adaptation and design. The constitution of the animals and vegetables of the torrid, is such that they could not endure the cold of the frigid zone, and vice versa.

In regard to disease and its cure, the adaptation is not less striking. The moss of Iceland, the Wild Cherry and pine of all northern latitudes (the balsam a chemical extract of these) have long been celebrated for complaints prevalent in cold climates. Indeed the most distinguished medical men have averred that nature furnished in every country antidotes for its own peculiar diseases.

Consumption in its confirmed and incipient stages, coughs, asthma, croup and liver complaint, form by far the most fatal class of disease known to our land. Yet even these may be cured by means of the simple yet powerful remedies which are scattered wherever those remedies prevail.

Wistar's Balsam of Wild Cherry is the concentrated essence of these remedies. It is a cured incipient consumption, asthma, croup, liver complaint, &c., in numberless cases where all other medical remedies had failed.

WILL MIRACLES NEVER CEASE! MORE EVIDENCE OF ITS SURPASSING HEALTH RESTORATIVE VIRTUES!!!

(From Dr. Baker, Springfield, Washington co., Kentucky.)

SPRINGFIELD, Kentucky, May 14, 1845. GENT: I take this opportunity of informing you of a most remarkable cure performed on me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840 I was taken with an inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit, and thus I wearied along until the winter of 1844, when I heard of "Wistar's Balsam of Wild Cherry."

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation I was induced to make use of the "Genuine Wistar's Balsam of Wild Cherry." The effect was truly astonishing.

After five years of affliction, pain, and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was now restored to entire health by the use of one of the bottles of Dr. Wistar's Balsam of Wild Cherry.

I am now enjoying good health and am my altered appearance that I am no longer known when I meet my former acquaintances.

I have gained ninety in weight, and my flesh is firm and solid. I can now eat as much as any person, and my food seems to agree with me. I have eaten more in the last six months than I had eaten for five years before.

Considering my case almost a miracle, I deem it necessary for the good of the afflicted, and a duty I owe to the profession, and my fellow men, (who should know where relief may be had) to make the subject public.

May the blessings of God rest upon the proprietor of so valuable a medicine as Wistar's Balsam of Wild Cherry.

Yours respectfully, WILLIAM H. BAKER.
